Did you know that through the National Catholic Committee on Scouting there are programs that Boy Scouts can partake in to learn more about their faith in a scouting environment?

Formerly known as “Scouter Development” this program is for all those units in our Archdiocese sponsored by Archdiocesan Parishes or Schools, or various other Troops that are sponsored by non catholic organizations that have Catholic Boy Scouts in them.

The first part of our day will be practical training an background on how to offer the Catholic Emblems programs in your units. The second part of the day will include a catechetical background for those looking to run these programs.

Those in attendance will attend mass during the day and lunch will be served.

Participating in this qualifies your Pack, Troop , Crew to be eligible to receive Unit Awards and the adults present to be eligible for Adult Awards !
